3.1 APPLICATION

3.1.1 It shall be unlawful for any person, business, or other organization to engage in the business of operating a medical cannabis establishment within the jurisdiction of Meade County without having a local license issued by the County.

3.1.2 It shall be necessary for any person, business, or other organization to obtain a local license under this Ordinance prior to submitting an application to the South Dakota Department of Health for a state registration certificate. SDCL 34-20G-55

3.1.3 The application shall be on forms provided by the Meade County Auditor. All information requested on the form shall be provided before the completed application is submitted to the Commissioners.

3.1.4 The application shall require verification, under punishment of perjury, that:

3.1.4.1 None of the principal officers or board members has served as a principal officer or board member for a medical cannabis establishment that has had its registration certificate revoked, whether in this state or elsewhere;

3.1.4.2 That none of the principal officers or board members are under twenty-one years of age;

3.1.4.3 That at least one principal officer is a resident of Meade County;

3.1.4.4 That the applicant is the owner or actual lessee of the premises where the business is conducted and the sole owner of the business operated under the license.

3.1.5 If the applicant is other than an individual, the verification shall be by a principal officer of the entity applying for the license.

3.1.6 The non-refundable application fee as set forth herein shall be paid at the time the application is submitted.

3.1.7 The license fee as set forth herein shall be paid at the time the application is submitted. Should the application be denied, the license fee shall be returned to the applicant.

3.2 LICENSE APPROVAL PROCESS

- 3.2.1 Upon receipt of a completed application, application fee and license fee, the Auditor shall present the application to the Commissioners at the next regularly scheduled meeting of the Commissioners. The Commissioners shall set the time and place for hearing on all applications that come before the Commissioners. The hearing shall be conducted within 45 days of presentation of the application to the Commissioners.
- 3.2.2 The Auditor shall publish notice once in the official newspapers of the county, at least one week before the scheduled hearing. The notice shall be headed "Notice of Hearing Upon Applications for Medical Cannabis Establishment," shall state the time and place when and where such applications will be considered by the Commissioners, and shall state that any person interested in the approval or rejection of any such application may appear and be heard.
- 3.2.3 At the time and place so set, the Commissioners shall consider each application and any objection to the application before making its final decision on the application. The Commissioners may approve or disapprove the application depending on whether the Commissioners deem the applicant a suitable person to hold the license, and whether the Commissioners consider the proposed location suitable.
- 3.2.4 No license granted under this title may be reissued until all property taxes which are the liability of the licensee levied on the licensed premises are paid or are not delinquent.
- 3.2.5 A person or entity may obtain more than a single class of license and/or more than a single license within any class of license, unless otherwise prohibited by law. The fact that multiple licenses are held may be considered in the application process as a factor in determining whether the applicant is a suitable person to hold the license.
- 3.2.6 If the Commissioners do not approve the application, the commissioners shall endorse on the application the reasons for the denial and return the application and license fee to the applicant. No further application may be received from the applicant until after the expiration of one year from the date of a denied application. However, if the application was denied based on the suitability of the location for the license, no further application may be received from the applicant until after the expiration of three months from the date of the denied application if the application is for a different location.
- 3.2.7 If the Commissioners approve the application, the Commissioners shall endorse the approval on the application and shall issue a county license to the medical cannabis establishment.
- 3.2.8 Any license issued shall be effective and valid through December 31 of the year issued. However, any license approved in 2021 shall be effective and valid through December 31, 2022.

3.3 RENEWAL

- 3.3.1 A license issued pursuant to this Ordinance may be renewed on an annual basis. An applicant for renewal is not automatically entitled to renewal. The issuance of a local license does not create a property right in that license.
- 3.3.2 An Application for Renewal shall be on the same forms and with the same requirements as the initial application set forth in Sections 3.1 and 3.2 above.

- 3.3.3 The applicant need not pay an application fee, but must pay the renewal fee as set forth herein. Such renewal fee shall be paid at the time the renewal application is filed with the Auditor.
- 3.3.4 A completed Application for Renewal shall be presented to the Auditor no later than November 1.
- 3.3.5 No Application for Renewal of a dispensary shall be approved if the licensed premise was not open to the public during regular business hours for the sale of medical marijuana for at least one hundred twenty (120) days in the previous year.
- 3.3.6 The Approval Process for a Renewal shall be the same as for an initial application. However, the license of a medical cannabis establishment applying for renewal may be approved for renewal by the Commissioners without a hearing unless in the past year the licensee, one of its principal officers or board members, or an employee of the dispensary have been subjected to a criminal penalty for violation of the Medical Cannabis laws or this Ordinance, or the license has been suspended.

3.4 TRANSFER OF LICENSE

- 3.4.1 Any local license issued hereunder may be transferred to a new location or to another person.
- 3.4.2 If the transfer is to another person, the licensee shall show in writing, under oath, that the licensee has made a bulk sale of the business operated under the license. The bulk sale may be conditioned upon the granting of a transfer of the local license.
- 3.4.3 The transferee shall make an application exactly as an original applicant.
- 3.4.4 If the transfer is to a new location, the licensee shall make an application exactly as an original applicant, and showing all relevant facts for the new location.
- 3.4.5 The licensee shall submit with the Application for Transfer, whether as to person or location, a transfer fee of One Hundred Fifty Dollars (\$150.00) to continue the unexpired portion of the license.
- 3.4.6 An Application for Transfer shall be on the same forms and with the same requirements as the initial application set forth in Article 3, Sections 3.1 and 3.2, above.

3.5 SUMMARY SUSPENSION

- 3.5.1 When the Meade County Sheriff or any deputy thereof has reasonable grounds to believe and finds that a medical cannabis establishment refuses to allow inspection as required by Article 6, Section 6.1 of this Ordinance, or that the public health, safety or welfare imperatively requires emergency action, they shall serve upon the establishment a Summary Suspension Order that temporarily and summarily suspends the license.
- 3.5.2 The Summary Suspension Order shall identify the basis for the summary suspension. The Summary Suspension Order shall also provide an advisement that further suspension or revocation may occur following hearing by the Commissioners.

3.5.3 The Summary Suspension Order shall be presented to the Meade County Auditor for placement upon the next agenda of the Commissioners. At that time, the Commissioners shall hear testimony from the license holder and any other interested person as to whether to continue the Summary Suspension Order pending the Suspension or Revocation proceedings set forth in Article 3, Section 3.6 of this Ordinance. The reasons for the decision of the Commissioners need not be in writing and the oral pronouncement of the Commissioners shall act as notification of the intent of the Commissioners to consider suspension or revocation of the local license without further notification of any kind being required.

3.5.4 At the hearing required in Article 3, Section 3.5.3, the Commissioners may also determine that no further suspension or revocation proceedings are warranted and, in such case, shall immediately reinstate the local license.

3.6 SUSPENSION OR REVOCATION

3.6.1 A local license issued hereunder may be suspended or revoked by the Commissioners for violation of this ordinance.

3.6.2 Written notification of the intent of the Commissioners to consider suspension or revocation of a local license shall be made at the address given on the license. Such notification shall be at least thirty days in advance of the date set for public hearing on the suspension or revocation action.

3.6.3 Notice of public hearing shall be published in the official newspapers of the county at least one week prior to such hearing and in such form as deemed appropriate by the Commissioners.

3.6.4 At the public hearing, the Commissioners shall hear evidence or testimony from the licensee and any interested person. The Commissioners may revoke the license if they determine, following the public hearing, that a violation of this ordinance occurred.

3.6.5 If the Commissioners are satisfied that the nature and the circumstances of the violation were such that a suspension of the license would be adequate, the Commissioners may, instead of revoking the license, suspend it for a period not exceeding sixty days.

3.6.6 If the Commissioners suspend or revoke a local license, they shall notify the Secretary of the Department of Health of that fact.
